Thank you for your interest in becoming a Fuel Customs, LLC (FCI) authorized dealer. FCI produces the highest quality state of the art intake systems for ATVs. In the last four years, our intake systems have become well known and prestige in the industry. We are currently engineering and producing a more extensive product line to accommodate more ATV models. After thousands of intakes sold, we have yet to receive one intake back giving us bragging rights to our guaranteed 100% customer satisfaction.

FCI is proud of its loyal dealers worldwide, and it is in the best interest of Both our existing dealers and FCI to limit the authorized FCI dealers to only legitimate establishments in the business of selling motorcycle and ATV parts and accessories.

**To be an authorized FCI dealer you must fill out the dealership application in full, including all requested information, and a first time minimum order of \$600.00 is required.**

FCI would be happy to refer you to an authorized dealer in your area to purchase product if you are unable to meet with the minimum order terms.

A FCI Member can assist with your initial order by informing you on the top sellers and quantity price breaks to help quickly turn your inventory for a fast return on investment.

FCI gives huge effort in Public relations. As you may have seen FCI has a great deal of editorial exposure in local and large mainstream publications increasing their dealers business. FCI is open to co op advertorial and editorial opportunities.
